

About Natalie Reid

Natalie Reid is the author of the New Expanded Edition of *A Quantum Life*. Her book has received critical acclaim and has been called “a seminal study and guide that can be readily accessed by any general reader.” Natalie, who holds a Ph.D. in psychology, studied quantum physics for her doctoral program. She offers Life Coaching sessions where she incorporates 30 years’ experience in psychology, coaching, meditation, and the mind-body connection with her process for change.

Natalie has also served on several corporate management teams including Bank of America, Progressive Corp., Charles Schwab and Fair, Isaac. She has talked about her work on TV, radio and in print.

Natalie lives in Northern California, where she works with coaching clients via Skype or phone.
